

IN LEAVENWORTH COUNTY, **UNITED IS THE WAY.**

We Bring Our Community Together.

United Way doesn't replace the work of local nonprofits. We bring organizations, businesses, volunteers, and community leaders together to solve problems no single organization can solve alone.

We Invest in Lasting Solutions.

From helping children build home libraries through Dolly Parton's Imagination Library to supporting 19 local nonprofit partners and strengthening financial security, your gift creates opportunities that last beyond today.

One Gift. Countless Lives Changed.

Whether someone needs food, safe housing, mental health services, childcare resources, books for their children, or help after a crisis, your United Way gift helps build a stronger Leavenworth County.
